Agency Acronym: DVA

Agency Number: 485

Priority: High

Intent:

Include this for consideration in budget bill.

Create new SEG appropriations in the Veterans Trust Fund for the Operations of the State Veterans Homes. The intent of these changes is to move the expenditures and revenues related to the operation of the state veterans homes into the existing Veterans Trust Fund.

1. Effective 7/1/2013, create new SEG appropriations in DVA Program 1 under the Veterans Trust Fund to replace the following PR appropriations:

- 20.485(1)(gk) ~ ~~PR~~
- 20.485 (1)(go)
- 20.485(1)(gd)

For all three appropriations, the attributions can remain the same (state operations, annual vs. continuing, etc.). The three PR appropriations will no longer be used.

2. There is no change to the Chapter 20 language governing the use of 20.485(1)(go) or 20.485(1)(gd).

3. For appropriation 20.485(1)(gk), amend the Chapter 20 language to allow expenditures, up to the amounts in the schedule, for the care of the members of the Wisconsin veterans homes and for the maintenance and operations of the campus. The department has concerns that the appropriation language is so specific that it may exclude basic maintenance and required operations for the broader

campuses that the homes are located on that do not directly relate to member care, for example, mowing ditches or maintenance on vacant buildings.

4. Amend s. 25.36 to include revenues as currently identified under s. 20.485(1)(gk), (1)(go) and (1)(gd).

Subject: Amendment to draft LRB-1231/3

Hi Mary-

We need to request an amendment to this draft. Under the language for the three new PR-S appropriations, it specifies that the appropriations can only be used for expenditures related to the veterans homes. That is too specific. I don't want to create a set of PR-S appropriations under each of the five programs in the department. Instead, can you amend the language in sections 6, 7 and 8 so that it can be related to veterans? (Delete "homes"). Thank you.
